Town/Village:

County:

Postcode: WR10 3AA

Telephone number:

Email: birlingham_clerk@yahoo.co.uk

Task: Support the proposal

Comment: The property's external appearance will be improved by replacing some windows with a version more sympathetic with the age of the building and by removing some clutter (the disused water tank wall). The correcting of some previous internal modifications i.e. walls and doors, that again were not in alignment with the style of the building is a positive move to restore the property to something like its original build.
