Subject: Comment on application W/16/01045/CU

Application Number: W/16/01045/CU

Name: Birlingham Parish Council

Address

House Number/Name: Clerk

Street Name: Birlingham

Town/Village:

County:

Postcode: WR10 3AD

Telephone number:

Email:

Task: Make a general observation

Comment: The application appears to be contrary to the South Worcestershire Development Plan in that:

1. SWDP 35 states that outside development boundaries new build tourist accommodation will not be permitted.
2. SWDP 34 states a site for tourist development should be readily accessible by public transport

However, the Parish Council considers that this is a reasonable use of a redundant farm building.

If the District Council decide to grant permission we would wish to see the following conditions applied:

1. The existing building will not be further extended.
2. The new accommodation will be used only for tourist or temporary accommodation and will not be used for residential purposes.
3. The new accommodation will not be sold separately from the main dwelling.
