Comments	<input type="text" value="The Parish Council wishes to make the following comments: ? The Pigsty?s certificate of lawfulness only permits its use as a holiday let and the Parish Council would wish this condition to remain. Allowing the extension to the Pigsty to be included for the purposes of holiday lets must not result in any further change of use that would allow it to be used as a separate permanent residence in future. ? The PC wishes to make clear that it strongly objects to any change which might seek to allow The Pigsty to be used as a separate permanent residence. This site is outside the development boundary and any change could create a precedent. We would therefore ask for confirmation of how the LPA will control the use in future to be only short term holiday accommodation rather than an additional dwelling."/>
